

REACH declaration on information requirements for suppliers of articles

In the context of compliance with the obligation to inform concerning the candidate list of “substances of very high concern” for authorisation (so called “SVHC”) in articles according to Art. 33 of the REACH-Regulation (EC) No 1907/2006.

Our obligation to inform according to art. 33 par.1 REACH

According to Art. 33 para. 1 REACH, any supplier of an article is obliged to provide the recipient of the article with sufficient information, available to him, to allow safe use or, as a minimum, the name of the substance of the EChA-candidate list (meeting the criteria in Article 57 and identified in accordance with Article 59 para.1) if this substance exceeds a concentration of 0.1 per cent in weight (w/w) of the article.

We would like to fulfill this obligation and inform you that the following substance of the candidate list may be contained in our products in more than 0.1 mass percent(w/w):

Substance	CAS-No.	EC-No	Usage
Lead	7439-92-1	231-100-4	Turned and milled parts made of copper alloy (brass)

We are in close contact with our suppliers and have not yet received any information about further SVHC substances of the current candidate list in a concentration higher than 0.1 mass percent(w/w) as well as substances of the POP Regulation (EC) No. 850/2004 in our articles.

If you have further questions concerning REACH or the new European Chemicals Policy in our company please do not hesitate to contact our REACH-Manager:
